

OBJECTIVE OF THE CONFERENCE

The objective of this conference is to enable the researchers, academicians and students to exhibit their latest findings and also to provide a forum for the transfer and dissemination of new ideas and technology among all those concerned in the field of Information, Communication and Computing Technologies.

CALL FOR TECHNICAL PAPERS

Researchers, Academicians and Students are invited to submit their papers on the following disciplines:

- Artificial Intelligence & Internet of Things
- Data Mining and Big Data Analytics
- Network Security & Cyber Security
- Wired and Wireless Sensor Networks
- Cloud Computing
- Fuzzy Systems and Soft Computing
- Medical Applications and Bioinformatics
- Digital Image Processing
- Distributed and Parallel Computing
- Information Sciences
- Software Technologies
- Communication Technology
- Human computer interaction
- Embedded Systems
- Pattern Recognition, Machine Learning
- High-Performance and Grid Computing
- Social Networking
- Ubiquitous and Pervasive Computing

All the paper will be published in the Reputed International journals (Free of Cost).

REGISTRATION FEE

Industry Person : Rs. 1500
